Dear Willie

I suppose you will think I am a long time saying you a line but I have had another bad turn my side broke out again and I have had another three weeks of it but it is haled up again now I dont think I will ever get properly over it again I have not had any word of Arthur since he went away, how are you all getting on I trust you are all well, we have had a fine rain here and every thing is looking well I have not much news this time but I hope to write you more and better news next time I write so with best love to you all and hoping you are all well as mine are at present

I remain
your loving Brother
Albert

If you see Bert tell him I will write to him before long

Dear Nellie

I received your
welcome letter & was glad to
find you all well although
Kean was telling me that Bert
says Fred has something the
matter with his leg I hope
it is not serious as he as
had enough trouble and he
seems to be just getting a little
better off I have not had
the best of health myself lately
I am suffering with Gall Stones
so I have to go through a lot
