Notes

1 - A Group Accommodation Package is in advanced negotiation with the RACV/T Apartment Hotel in Hobart. This facility in the heart of Hobart is convenient to shops and other city venues, to the Tall Ships at Elizabeth Pier, and to Salamanca and its excellent Saturday morning Market. It has ample on-site parking, spacious reception areas for Group assembly, and front door Coach pickup. RACV/T would be the hub for all of our group assembly and coach pickups. Further advice will be available in due course.

2 – RYCT (Royal Yacht Club of Tasmania) – a first class facility on the Sandy Bay foreshore with spacious group dining rooms, both internal and external. Good for the young ones too.

3 – Funds Administration – It is planned from mid 2020 that costs highlighted in red will be progressively billed to each family which confirms attendance according to their by then indicated participations in the various Hobart Programme Events. Funds will be credited to our Administrative Fund Account as identified above. Service Providers of the various red highlighted services will be paid from this Account.

**** \$ Rates are based on current service providers' quotes and may need adjustment by late 2020**

Beverages at dining venues are at bar rates; Wine Tasting at **DEV is \$5, or free with any bottle purchase**
