**Signature Tea  
Towel**

At our 1995 and 2004 re-unions, we produced a signature tea towel to record the event. This proved to be very popular and they have since become family heirlooms (as often the people who signed then are no longer with us).

**\$25**

As a result, we have decided to have another linen cotton tea towel manufactured for our 200 Years Event with the **Skelton Arrival** painting as its central motif.

A full-size artboard will be made available at Narryna for folks to sign. The artwork will then be sent to a manufacturer and the tea towels produced and shipped directly to you.
